

AARES 2022

THE 66TH ANNUAL CONFERENCE
OF THE AUSTRALASIAN
AGRICULTURAL & RESOURCE
ECONOMICS SOCIETY

7–11 February/Online

An invitation to sponsors & supporters

The Australasian Agricultural and Resource Economics Society (AARES) is the pre-eminent society promoting research relevant to Australasia in agricultural, environmental, food, and resource economics and agribusiness. Our members include students, researchers, and professionals from academia, industries, and all levels of governments, within Australia and internationally.

The AARES annual conference is held in February each year and takes place over four days, with the first day dedicated to workshops.

The theme of the 2022 conference is *Resilience in a Time of Uncertainty*. The conference will highlight advances in research and its applications, and further teaching and careers for a range of professions. The conference will also host an early career professional networking event, as well as a mentoring program for students and early career researchers. Attendance will be diverse and international, and the program will include time for networking and informal meetings.

In 2022, the conference will be online. We hope you will join us.

The AARES conference is always well supported by sponsors. We offer a range of sponsorship packages and individual arrangements can be made to suit sponsor needs.

For more information, please [click here](#) or email us at office@aares.org.au.
